

# CG Cakes product pricelist

## Customized Cakes

Every cake that we bake is completely custom-made and can only be obtained by order, since we do not supply ready-made cakes. The price of a customized cake is determined according to the size (the number of servings it should give), the flavour and décor.

CG Cakes does therefore not have a set price for cakes.

To order a customized cake, please contact our WhatsApp line at +27 66 348 1165 to discuss your specifications and we will assist you with a quotation.
